

Nearly Zero Energy & Retro-Fit Centre of Excellence

Enda McBrien

Introduction

- Based in Bishopstown, at Cork College of FET Campus (Opposite MTU)
- 4th NZEB Centre of Excellence to open in Ireland
- These courses are fast, flexible and free
- The centre will contribute significantly to national policy priorities on Housing for All including housing construction, retrofitting of homes, and carbon reduction
- Government target of retrofitting 500,000 homes in Ireland by 2030
- Change in TBG in 2019
